COVER LETTER

Dr. Stan Ponz
President of Clarity Christian College,
9810 Scenic Hills Dr,
San Antonio TX 78255

Date: January 18th, 2024

To Whom it May Concern,

I am Dr. Stan Ponz , President of Clarity Christian College in San Antonio TX after been served for 12 years as a Dean and Senior Pastor of International Baptist Church in Honolulu, Hawaii.

Through my long time Pastorate career in Honolulu, I met Dr.Samuelu who also affectionately known as Pastor Sam who was an Associate Professor at the College our Church founded, called International College and Graduate School. Dr.Samuelu taught several Christian Leadership Courses and Hebrew literature courses in the Graduate level at the time while he was also enrolling in his study for his Doctor of Ministry degree(DMin) from 2007-2012. Later in 2010-2012, the School was changed its name to Hawaii Theological Seminary . He excelled in teaching Courses at the Graduate level with great distinction background as a Scholar in Theological Studies from the island nation of Tuvalu. He was our first Lecturer to start teaching a Course in Climate Change studies in our School.

Moreover, Dr. Samuelu also taught in public colleges in evening classes in the field of Mathematic and Science. He's a calibre with great talents not only in Biblical Theology and Ministry , but also a great knowledge as a public Teacher in Mathematic and Science. He's also currently pursuing a D.Ed at Liberty University by virtual classes Online -Courses.

I found Pastor Samuelu as a great man of wisdom that loves to teach the subject matters to his students, but moreover to bring love, peace and hard working to the midst of his classes. He's sought after by students , staffs, mentors and graduates influenced by his teaching, life , leadership and compassion. He has an excellent balance of people and task skills. He's a great speaker that loves to mediate and bring people apart with their own beliefs and differences to the bargaining table and love to find a common ground to make them compromised things to a certain degree . Dr. Samuelu embodied in him a variety of core values in our culture known as "the spirit of aloha" that makes him exemplary. He's a servant leader of great morals that cultivates and plant seeds for people to grow happily in the soil of their Christian lives . Mr. Samuelu brings in a new tide of understanding in the Ministry of the Word of God that makes him doctrinally solid on the proper fundamentals of Protestantism .

him without hindrance to his new vocation and call with great experiences and leadership qualities to the world that needs him .

May the Lord continue to use Pastor and Dr. Samuelu in a mighty way for God's glory.

For His glory alone,

Dr. Stan Ponz ,
President of Clarity Christian College,
